

WEST END CLINIC PATIENT PARTICIPATION GROUP

Would you like to become a member of our Patient Participation Group.

This is a group of patients who meet once every three months and discuss a wide variety of topics that relate to the practice (see the Minutes of the previous meetings on the website www.westendclinic.org.uk)

The chairman of the group attends Patient Participation Groups in Doncaster and reports back on new initiatives that are coming in.

If you think that you could bring something to the table within these meetings why not apply and come along to the next meeting.

Please complete this form on line and email it to donccg.westendclinic@nhs.net or it can be handed into the surgery at the reception desk and the practice manager will contact you with the date of the next meeting.
