

Website Privacy Policy

This practice, as the data controller may collect personal information from visits to this site. This information will only be used to respond to enquiries and monitor site usage. Any statistics will not include information that can be used to identify any individual.

Use of Personal Information

Any personal information (e.g. name, address, telephone number etc) provided to this practice via the website for whatever purpose (e.g. registration, survey's, feedback) will only be used that purpose. We will not sell, trade or give personal information to third parties.

Some personal information will be released where the NHS is required to do so by law, e.g. court order. Transfer of such data will only be done on the express permission of the individual.

When you submit information, you consent to our use of the information as set out in this privacy policy.

Scope of this privacy policy

This privacy policy only covers this practice.

Changes to this privacy policy

We have the right to amend this policy from time to time. If any substantial changes are made which affects the way we use personal information a notification will be available on the website.
